Recommendations & suggestion:

The below given points are the recommendations to improve the website (Style Mate)

- The website lags a lot while using it
- The sign in is not functionable
- Need to change the searching feature
- Need to add the visibility button on the password block in both login and sign in
- Need to add products details
- There are lot of lagging issue while both using and testing the website in both manual and automation testing also
- Need to change the UI on the cart and need to update the checkout Feature
- There is no checkout feature available need to add that
